HEADQUARTERS
AMERICAN GRAVES REGISTRATION SERVICE GROUP
8204TH ARMY UNIT
APO 3

MB/LFW/aw

A Board of Officers appointed by paragraph 1, Special Order No. 75 Headquarters, American Graves Registration Service Group, 8204th Army Unit, APO 3, CS, convened at 0800 hours NOV 17 1955, and after consideration of the following identifying factors, approved the identification of Evac N-16193 as: CELIK, HAMDI ER 4896 TURKISH NATIONAL

Plot , Row , Grave ,

~~GRAVE~~ ISOLATED Korea.

Identifying factors were:

Evacuation N-16193, hereby identified as ER Hamdi Celik, 4896, Turkish National, was recovered by Communist Forces and transferred to U.N. Forces under Operation "Glory." Recovery site in North Korea is indicated as 39°35'40" N, 125°53'30" E, transposed to grid coordinates YD 483-863, Map Sheet 6332-I

Evac N-16193 is designated on Passenger List #14 as Unknown. One foreign identification tag found in pocket of container used to transfer the remains reads, "4896." Records this headquarters indicate serial number 4896 was assigned to Hamdi Celik, Turk., who was reported missing in action 29 November 1950 in the vicinity of Kunu-ri (YD 4898, Map Sheet 6333-II). Recovery site of the remains is approximately 5 miles south of Kunu-ri.

Laboratory processing of the remains reveals the following physical characteristics:

Race: Caucasoid
Height: T-5'7 3/8", F & T 5'6 7/8"
Age: 27-30
Dental: No dental restorations in teeth present with remains.

Physical and dental comparison of the remains is not possible due to the lack of physical and dental information for subject decedent at this headquarters. However, identification tag #4896 found with the remains supports a favorable association with ER Hamdi Celik. Also, two (2) other remains recovered with Evac N-16193 from the same location, have been identified as members of the Turkish Armed Forces. Therefore, in the absence of evidence to the

CKLF 6
7 July 55

ALLIED

contrary, it is logical to conclude that Evac N-16193 represents the recoverable remains of ER Hamdi Celik.

Records of all unresolved U.S. casualties for North Korea were compared with the remains without effecting an association.

Based on the factors set forth above, the remains designated Evac N-16193 is determined to be ER Hamdi Celik, 4896, Turkish National.

NOV. 17. 1955

Evac N-16193

as: CELIK, HAMDI ER 4896 TURKISH NATIONAL

XXXX ISOLATED

Evacuation N-16193, hereby identified as ER Hamdi Celik, 4896, Turkish National, was recovered by Communist Forces and transferred to U.N. Forces under Operation "Glory." Recovery site in North Korea is indicated as 39°35'40" N, 125°53'30" E, transposed to grid coordinates YD 483-863, Map Sheet 6332-I

Evac N-16193 is designated on Passenger List #14 as Unknown. One foreign identification tag found in pocket of container used to transfer the remains reads, "4896." Records this headquarters indicate serial number 4896 was assigned to Hamdi Celik, Turk., who was reported missing in action 29 November 1950 in the vicinity of Kunu-ri (YD 4898, Map Sheet 6333-II). Recovery site of the remains is approximately 5 miles south of Kunu-ri.

Laboratory processing of the remains reveals the following physical characteristics:

Race: Caucasoid
Height: T-5'7 3/8", F & T 5'6 7/8"
Age: 27-30
Dental: No dental restorations in teeth present with remains.

Physical and dental comparison of the remains is not possible due to the lack of physical and dental information for subject decedent at this headquarters. However, identification tag #4896 found with the remains supports a favorable association with ER Hamdi Celik. Also, two (2) other remains recovered with Evac N-16193 from the same location, have been identified as members of the Turkish Armed Forces. Therefore, in the absence of evidence to the

ALLIED

contrary, it is logical to conclude that Evac N-16193 represents the recoverable remains of ER Hamdi Celik.

Records of all unresolved U.S. casualties for North Korea were compared with the remains without effecting an association.

Based on the factors set forth above, the remains designated Evac N-16193 is determined to be ER Hamdi Celik, 4896, Turkish National.
