HEADQUARTERS
AMERICAN GRAVES REGISTRATION SERVICE GROUP MB/wP/rg
8204TH ARMY UNIT
APO 3

A Board of Officers appointed by paragraph 1, Special Order No. 75 Headquarters, American Graves Registration Service Group, 8204th Army Unit, APO 3, CS, convened at 0800 hours OCT. 31 1955, and after consideration of the following identifying factors, approved the identification of EVAC N-16021 as COSKUN, MUHARREM PVT 2964 TURKISH NATIONAL Plot, Row, Grave, XXXX (ISOLATED) Korea.

Identifying factors were:

Evacuation N-16021, hereby identified as Pvt Muharrem Coskun, 2964, Turkish Armed Forces, was recovered by the Communist Forces and transferred to UN Forces under Operation "Glory".

Recovery site of Evac N-16021 is indicated as 39°38'00"N, 125°54'30"E, transposed to grid coordinates YD 495-908, Map Sheet 6332-I.

Evac N-16021 was designated on Passenger List #13 as "Unknown".

One metal tag was found with the remains, imprinted "2964". Information received from UNC Turkish Liaison Group reveals Pvt Muharrem Coskun, 2964, was reported killed in action. Recovery site of the remains is approximately five (5) miles south of Kunu-ri (YD 480-980, Map Sheet 6333-II).

Physical and dental comparison of Evac N-16021 with Pvt Coskun is not possible due to the lack of physical and dental data for subject decedent. However, identification tag #2964 found with the remains supports a favorable association with Pvt Coskun. Therefore, in the absence of evidence to the contrary, it is logical to conclude that Evac N-16021 represents the recoverable remains of Pvt Coskun.

Records of all unresolved U.S. casualties for North Korea were considered. It is therefore determined, through pertinent information of record, that Pvt Muharrem Coskun, 2964, is the only casualty who can be conclusively associated with Evac N-16021.
