HEADQUARTERS
AMERICAN GRAVES REGISTRATION SERVICE GROUP MB/MP/rg
8204TH ARMY UNIT
APO 3

A Board of Officers appointed by paragraph 1, Special Order No. 75 Headquarters, American Graves Registration Service Group, 8204th Army Unit, APO 3, CS, convened at 0800 hours NOV. 2 1955, and after consideration of the following identifying factors, approved the identification of EVAC N-16182 as OZKAN, HAMDI CVS 1422 Turkish National Plot , Row , Grave , XXXX (ISOLATED) Korea.

Identifying factors were:

Evacuation N-16182, hereby identified as Cvs Hamdi Ozkan, 1422, Turkish Armed Forces, was recovered by the Communist Forces and transferred to UN Forces under Operation "Glory".

Evac N-16182 was reported recovered from location indicated as 39°35'43"N, 125°53'45"E, transposed to grid coordinates YD 485-864, Map Sheet 6332-I.

Evac N-16182 was designated on Passenger List #14 as "Unknown".

One metal tag was found with the remains, imprinted "1422". Information received from UNC Turkish Liaison Group reveals Cvs Hamdi Ozkan, 1422, was reported missing in action 20 November 1950 in the vicinity of Kunu-ri. Recovery site of the remains is approximately six miles south of Kunu-ri (YD 480-980, Map Sheet 6333-II).

Physical and dental comparison of Evac N-16182 with Cvs Hamdi Ozkan is not possible due to the lack of physical and dental data for subject decedent. However, recovery site of the remains in in agreement with the reported location in which Cvs Ozkan became a casualty, and identification tag #1422 found with the remains supports a favorable association with Cvs Ozkan. Therefore, in the absence of evidence to the contrary, it is logical to conclude that Evac N-16182 represents the recoverable remains of Cvs Hamdi Ozkan.

Records of all unresolved U.S. casualties for North Korea were considered. It is therefore determined, through pertinent information of record, that Cvs Hamdi Ozkan, 1422, is the only casualty who can be conclusively assoicated with Evac N-16182.
