HEADQUARTERS
AMERICAN GRAVES REGISTRATION SERVICE GROUP MB/RF/rg
8204TH ARMY UNIT
APO 3

A Board of Officers appointed by paragraph 1, Special Order No. 75

Headquarters, American Graves Registration Service Group, 8204th Army Unit, APO 3, CS, convened at 0800 hours NOV. - 9. 1955, and after consideration of the following identifying factors, approved the identification of EVAC N-16158 (ISOLATED)

as OZKURSUN, BEKIR ER 4380 TURKISH NATIONAL

Plot _____, Row _____, Grave _____, UNMC _____ Korea.

Identifying factors were:

Evac N-16158, hereby identified as Er Bekir Ozkursun, 4380, Turkish Armed Forces, was recovered by the Communist Forces and transferred to UN Forces under Operation "Glory".

Recovery site of Evac N-16158 is indicated as 39°35'43"N-125°53'30"E, transposed to grid coordinates YD 483-864, Map Sheet 6332-I.

Evac N-16158 is designated on Passenger List #14 as "Unknown".

One metal tag was found with the remains, imprinted "4380". Information received from UNC Turkish Liaison Group reveals Er Bekir Ozkursun, 4380, was reported missing in action at Kunu-ri (YD 4898, MS 6333-II) on 28 November 1950. Recovery site of the remains is approximately five (5) miles south of Kunu-ri.

Physical and dental comparison of Evac N-16158 with Er Ozkursun is not possible due to the lack of physical and dental data for subject decedent. However, identification tag 4380 found with the remains supports a favorable association with Er Ozkursun. Therefore, in the absence of evidence to the contrary, it is logical to conclude that Evac N-16158 represents the recoverable remains of Er Ozkursun.

Records of all unresolved U.S. casualties for North Korea were considered. It is therefore determined, through pertinent information of record, that Er Bekir Ozkursun, 4380, is the only casualty who can be conclusively associated with Evac N-16158.
