HEADQUARTERS
AMERICAN GRAVES REGISTRATION SERVICE GROUP MB/MP/rg
8204TH ARMY UNIT
APO 3

A Board of Officers appointed by paragraph 1, Special Order No. 75 Headquarters, American Graves Registration Service Group, 8204th Army Unit, APO 3, CS, convened at 0800 hours NOV 2 1955, and after consideration of the following identifying factors, approved the identification of EVAC N-16186 as YACIN, ISMAIL PVT 1371 TURKISH NATIONAL

Plot, Row, Grave,

XXXXXX (ISOLATED) Korea.

Identifying factors were:

Evacuation N-16186, hereby identified as Pvt Ismail Yacin, 1371, Turkish Armed Forces, was recovered by the Communist Forces and transferred to UN Forces under Operation "Glory".

Recovery site of the remains was indicated as 39°35'43"N, 125°53'45"E, transposed to grid coordinates YD 485-864, Map Sheet 6332-I.

Evac N-16186 was designated on Passenger List #14 as "Unknown".

One metal tag was found with the remains, imprinted "1371". Information received from UNC Turkish Liaison Group reveals Pvt Ismail Yacin, ID #1371, was killed in action.

Physical and dental comparison of Evac N-16186 with Pvt Ismail Yacin is not possible due to the lack of physical and dental data for subject decedent. However, identification tag #1371 found with the remains supports a favorable association with Pvt Ismail Yacin. Also, three remains, recovered with Evac N-16186 from the same location, have been identified as members of the Turkish Armed Forces. Therefore, in the absence of evidence to the contrary, it is logical to conclude that Evac N-16186 represents the recoverable remains of Pvt Ismail Yacin.

Records of all unresolved U.S. casualties for North Korea were considered. It is therefore determined, through pertinent information of record, that Pvt Ismail Yacin, 1371, is the only casualty who can be conclusively associated with Evac N-16186.
